

Mother's Day Baskets

Pre-order

Baskets similar to picture shown.

We sold these last year and received rave reviews! The 12" baskets flower all summer long into the fall, and are gorgeous. They come ready to hang and can be easily transplanted or placed directly into a pot if you wish.

Proceeds go to support Meridian High School Track Team.

Return this form to the MHS Booster Club or Coach Aaron by **April 10th**.
We will contact you when the baskets are available.
